Subject: Re-cognition.

Sir,

Kindly refer to the case of renewal of re-cognition to your school after 1981. In this connection, it is stated that the re-cognition once granted is absolute and there is no need for its renewal. However, I am directed to inform you that the Director of Education has been pleased to extend the re-cognition accorded to your school beyond 1981. Henceforth, the re-cognition may be considered as permanent re-cognition.

Yours faithfully,
